# OVER FIVE OF THE TOUGHEST TOUR DE FRANCE CLIMBS

*"Cykelnerven ranks in the top ten experiences of my entire life. It was amazing" - Chris Ramsey (2023 Rider)*

Cykelnerven takes the best amateur cyclists from around the world on the most epic Tour de France 2024 climbs - just weeks before the pros. Take on the toughest and most beautiful climbs, and help raise money for a world without multiple sclerosis.

You get a training plan and virtual training rides, dedicated coaches and support team, and personalised Cykelnerven team kit. Once you land in France, all of your accommodation, food and any travel between stages is covered – all you have to do is ride like a legend.

Then, when the 2024 Tour kicks off you can sit back and tell everyone, "been there, done that". Places are limited so to find out more contact us here...
